Natalie Nicolas
GDC 289647

Natalie Nicolas is a highly qualified dental and implant nurse with over 7 years experience in diverse and dynamic roles within the dental profession.

She manages a busy dental practice in Essex, where she also works hands on as a treatment co-ordinator and nurse alongside an onsite implantologist and oral surgeon Dr Sumair Khan. In addition to her clinical and managerial responsibilities, Natalie is a passionate educator and trainer. She teaches communication skills to clinicians, delivers training for dental implant nurses and provides in practice mentoring for implant nurses in training.
