London

Speaker

Dr Emanuele Clozza

Fixed Full-arch Hands-on Course

Speaker

Dr Emanuele Clozza DDS

Special interest in Dental Implants

GDC: 253700

Dr Emanuele Clozza was born in Italy and studied at the University of Trieste, where he earned a Doctor of Dental Surgery qualification. He then moved to the United States to continue his post-graduate education at the prestigious New York University, where he completed a one-year International Dentists in Comprehensive Dentistry Advanced Programme and a three-year Periodontics Advanced Education Programme.

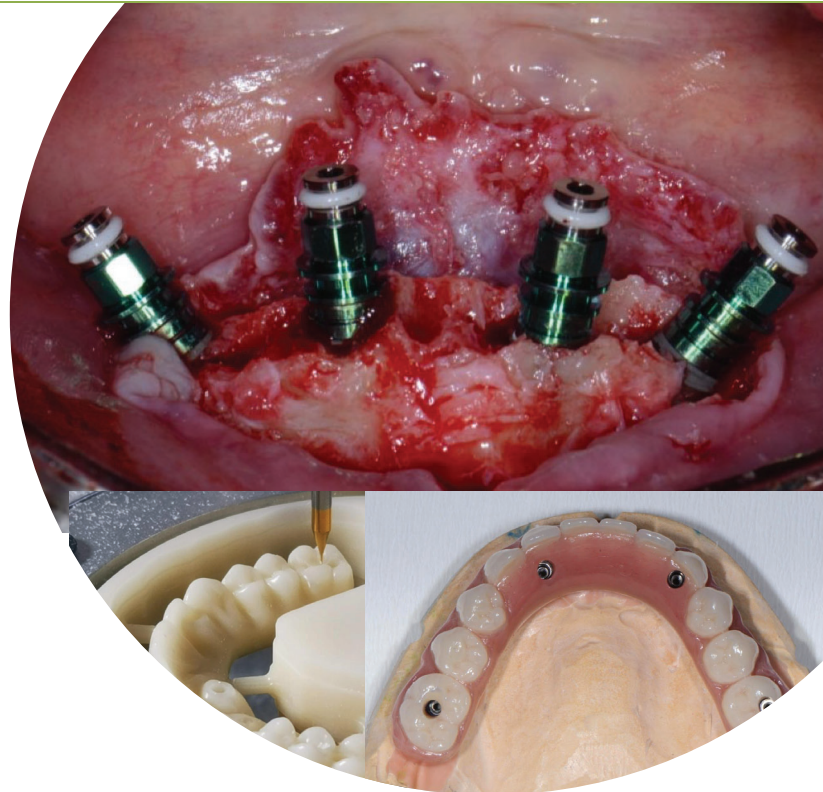

He has presented at international dental conferences and has been published in more than 20 articles for peer-reviewed dental journals.

He also served for twelve journals as a scientific reviewer. His primary areas of interest are the All-on-4 or "Teeth in a Day" treatment, dental implants in the esthetic zone, gum grafting and bone regeneration.

He has placed and restored more than 10,000 implants.
